2015 Newsletter
Welcome to our special Twilight Fair Newsletter. The 2015 Twilight Fair was a night to be remembered. We were lucky to have amazing weather for our night. So much preparation goes into a night like this, and there are many people who bring this event together. The Parents Club would like to thank the teachers and volunteers who assisted with preparation, signage, set up and also helped out on the night. Many of these teachers and volunteers worked the entire event on a stall and did not have a break. Unfortunately we were short on volunteer helpers which meant that many stalls were left with minimum assistance. It would be great if everyone just gave a half hour on the night or during the day for set up, this would make for a truly amazing night, that would allow everyone on stalls to also enjoy the evening.

I would need a rather lengthy newsletter to thank everyone individually, but there was some stand-outs that need to be mentioned.

- Thank you to all the sponsors that supported our Twilight Night, providing services, items for the showbags, goods at a special rate, prizes for the raffle, or you came on the night to showcase what you do.
- Thank you to all of the Parents Club members who helped behind the scenes, getting sponsors, donations, getting notices home, organizing and arranging. Also many of you worked tirelessly during the day setting up, and also on the night. This is definitely not a one person job.
- Thank you to all the dads and granddads who assisted on the BBQ, also returning your volunteer forms so promptly – very impressive!!
- Thank you to all those people that baked goods for the cake stall, some of you I am sure must have been baking through the night, you put in so much effort.
- Thank you to our photographers on the night, Jo Williams and Nicki Kempton for all the fabulous pictures of smiling children!

If you’re looking for something to do in the holidays, or need a service, please consider using a local business like one of these that helped out with our twilight fair. Let’s support them, so they will support us.

Last thing, if you would like to be a part of the Parents Club and assist with our great fundraising projects throughout the year, please come along to one of our meetings or find us in the yard and have a chat, we would love you to be a part of it!

Thanks everyone ~ Cilla and Mel
