Dear Parents/Guardians,

As part of our review of our camp programs the school leadership have decided to move to a Grade 5/6 combined camp program. The camps would alternate every year between a High Country Adventure (Alexandra Adventure Resort) to a Beach Adventure (Anglesea Recreation Camp).

The change to this model has many benefits:

- Costs of camps are lowered with only needing to cover the cost of releasing additional staff on one occasion in the year, providing savings for families
- Our senior school students (Gr5&6) become a more connected unit
- Friendships across levels promote greater student connectedness
- Planning of curriculum is undertaken as a Grade 5/6 unit so this links in well with a similar camp model
- Our Grade 5 students begin to move earlier into the ‘senior school’ ethos and leadership capacity building
- By sending a larger camp group we are very likely to be the only school on site as opposed to sharing with another school

We have been very fortunate to be able to secure Alexandra Adventure Resort for this time of year and we have also locked in a booking at Anglesea for March 2017 which is equally as fortunate.

If you would like to learn more about next year’s camp at Alexandra Adventure Resort and the facilities and programs that it offers, you may wish to visit their website at http://www.alexandraadventureresort.com.au/

The owners of Alexandra Adventure Resort are the previous owners of Camp Coonawarra.
