REMINDER: All newsletter items must be in by Friday night in order to ensure they are included in the following week’s newsletter.

Message from the Principal

Hi Everyone

Two staff on leave
We wish Ken Hallett all the best as he prepares to take extensive long service leave for the remainder of the year and tour Europe after the first week back in term 3. Jodie in the office is also taking leave for the remainder of the year to do the big outback Australia tour. We wish both Ken and Jodie all the best as they enjoy their well-earned holidays.

Power Out in the Area on Wednesday
There are some extensive power works happening at the roundabout on Wednesday. Though most homes and businesses will be affected our power company has organised for a generator to be supplied to the school so that it should be ‘business as usual’.

Working Bee this Saturday 1.30 – 4.30
This weekend will be our first working bee for the year. The focus will be on a general tidy up and will conclude with afternoon tea. Details of the tasks will be posted on the Website and Facebook page from tomorrow. We would like to see as many people as possible.

OSHC Room update
As part of the government’s election promise to remove old relocatable buildings from school sites, our OHSC building and the small building that had been used by the parent club will be removed from our site during the holidays. I expect that the OSHC program will relocate to the near end of the Early Learning Centre as of next Monday (with all arrangements going to plan).

The temporary fencing should be erected around the two buildings on the final Friday of term.

Cross Country Success
This morning 7 Montrose PS students competed in the Region level cross country event. Those that finish in the top 10 of each race will then compete in the State level competition. No matter what today’s results are, the children have had a highly successful year!

Neil Pollard
From the Office

Student Absences
At this time of the year there are a few sniffles and coughs about, if your child is unwell or has an appointment, please let us know at the office so we can update their attendance.

2017 Prep Enrolments
Just a reminder to drop your Enrolment Forms up to the office if you have a child starting school next year.

Thank you 😊

Canteen News

It was a very quiet day in the canteen last Wednesday as it was a pupil free day. After baking Anzacs in the morning, I took the opportunity to visit some other schools in our area to see how their canteens operate.

On Friday the canteen was back in full swing. A big thank you to Terri Archer for popping in to help count money and to Kate Stephens, Ruth Osborne and Renee Rae for all their great help that kept things running so smoothly on the day. This was the first Friday all term that we have had 3 helpers available for the whole day and it made an incredible difference lightening the workload of all. Although we had a lot of lunch orders, we seemed to cruise along nicely most of the day.

DID YOU KNOW
Sushi (California Rolls) is available from the canteen on Fridays. The sushi is made fresh, just before lunch, by De Montrose Chinese Restaurant. Sushi is available in two flavours - teriyaki chicken and cucumber or tuna and avocado. Soy sauce is also available.

Amanda 😊

This term’s Key for Success is **Organisation**. The habits of mind that go with the Organisation Key are: **Planning Your Time and Setting Goals**.

Our YCDI Award winners for this week are:

**Chloe P. 2VW:**
In grade 2VW there once was a girl,  
Who never got herself in a whirl.  
Her chair-bag was always tidy and clean  
And each night she would follow her homework routines.  
When I asked the grade to get out their red folder,  
While waiting for some I was growing much older.  
But not Chloe. Oh no hers was already waiting!  
With her red folder she was anticipating,  
What would come next and how she could be of assistance,  
At pack up time there was never resistance.  
Chloe, you are an organised queen,  
The tidiest workspace I ever have seen.

**Ashleigh M. 5/6M:**
This person in 5/6M plans ahead superbly, and definitely keeps their belongings neat and tidy. This person clearly understands that being organised is an important skill for school and for life. They definitely keep me on my toes asking things in advance so that they are prepared and organised for what is next.

This student knows where all their belongings are at all times, as each item has its own special place and he/she always puts things away as they go throughout the day.

This person always remembers to bring in their homework, which is continuously neat and beautifully presented. Furthermore, this student has a great attitude towards their schooling, always working to the best of their ability and making sure he/she always has a finished product to be proud of.

Congratulations Ashleigh M of 5/6M, keep up the exceptional work!

Hand in an A4 or A3 sheet including:
- Question
- Your name and grade
- All maths working out (diagrams, drawings, calculations)
- Written explanation of how YOU solved the problem.

**DUE DATE:** 
*Thursday 16th June* by the end of lunchtime.
Place your entry in the orange Maths Masterclass box at the office.

**REMEMBER:** You do not need to have reached a correct answer to enter. It is all about the learning process, not the answer.

Good luck!

**Maths Masterclass - Gr 3, 4, 5 & 6**

**Question 6: Cryptic Clocks**

Look at the clock face shown above. Around the face are all the letters of the alphabet. Each letter is by its own minute mark. For example the letter A is at 0 minutes, the letter D is at 15 minutes and the letter H is at 35 minutes.

**Use the clock to break the code below.**

Each number corresponds to a minute mark on the clock. If you write the letter down for each amount of minutes given you will spell out a sentence. When you've done that you will know what to do next.

Books on display

All around our library, you will see books on display - so that you can see their wonderful covers.

Books have very creative and visually attractive covers, which the publishers have designed to make you want to open them up and read. The Library is making use of this by displaying so many books with their covers showing.

Everywhere you look in the library, you will see books being displayed for you to borrow.

- Books, face-out, on top of shelves
- Books on the display pyramid – in fact, ‘New Arrivals’ (the newest books in the library)
- Books on display shelves
- Special displays of books to celebrate community activities, like Children’s Book Week, Easter and Christmas

That old saying “Don’t judge a book by its cover” does not apply in the Library. Come in and see how many book covers make you pick up a book for a closer look!
You're Invited
