**Message from the Principal**

**Hi Everyone**

**Practice Evacuation.**

Tomorrow we will try again with our practice evacuation. It is anticipated that we will do this just after recess. During the time we are offsite the school phone will be unattended and the doors locked.

**Thrass Information Evening**

Many thanks to the parents who attended the Thrass Information evening. The staff presenting were gratified with the attendance and response to the presentation. The Thrass tool is the key to our development of handwriting, reading and spelling strategies and is used consistently from prep through to year 6. Parents expressed greater confidence in assisting their children with their word attack for reading and spelling.

**Fun Run**

Our Fun Run will be held this Friday. The weather looks good for running, and the children will head out for three 20 minute stints. Children are asked to organise some sponsors and then they will receive one ticket per $5 returned. There will be some outstanding prizes that will be drawn at assembly. This year we are aiming to provide more iPads for class use.

**Twilight Fair**

Our fabulous Twilight Fair is only a couple of weeks away. Can you spare an hour to ‘man’ a stall? Please fill in the roster later in the newsletter and send it to school. A reminder that many of the events will take tokens, so make sure you head to the token stall early.

**Photos**

Well done to all for having your children on time for yesterday’s photo shoot. Compounding the organisation for the day was the swimming carnival being held in Ringwood. However, the weather was kind and the team taking the photos very efficient.

**Clean Up Australia Thursday**

Our Inspirations are promoting Clean Up Australia this Thursday. Grades will be allocated areas around the school and over at the Montrose Township to make a small difference and hopefully strengthen our resolve to care for where we live.

Neil Pollard
Thank you Fran Speight, Lesley Miller, Kate Critchley and Julianne Carlson for your help in the canteen on Friday and Janet Morrison for helping on Wednesday. This week’s helpers are Bronwyn Reimess for Wednesday 2nd March and Gemma Heemskerk, Emily Lee and Sharyn Thomson for Friday 4th.

Thanks! Alison

---

Dear Parents and Guardians,
Due to our school Fun Run on Friday the 4th of March, Clean Up Australia Day will be brought forward a day and take place on Thursday the 3rd of March.
If all students could bring along either a pair of gloves or a pair of tongs as well as a plastic bag to the school, that would be much appreciated.
Thank you for your support!

NEXT WEEK’S VALUE
Courtesy

What is it?

Courtesy is having good manners and acting in a way with others that make them feel valued and respected.

Words like ‘thank you’, ‘excuse me’ and ‘please’ let other people know that you care about their feelings and appreciate what they do.

Friends and family appreciate courtesy. It shows them that you respect them.
Dear Parents and Guardians,
This week we are starting our Nude Food classroom competition. A Nude Food lunch box does not contain any rubbish. Alternatively containers can be used. Rubbish items that can be put in the compost such as apple cores and banana peels do not count as rubbish. Each day, classroom Inspiration Leaders count the amount of class members with nude food lunch boxes. Every fortnight these numbers are collected and the classes with the most nude food lunches win a fruit ninja to display in their class for the fortnight. Thank you for your ongoing support!

District Swimming Success...
Congratulations to our 23 students who made up the Montrose Primary Swimming Squad. These students from Grades 3 to 6 participated in the first ever Montrose District Swimming Carnival. In total there were 130 students in the competition. Students who finished 1st or 2nd in their event progressed through to the Yarra Divisional finals and I am pleased to announce that every one of our swimmers made it through. An incredible achievement! Best of luck at the next level super fish!

FINANCIAL ASSISTANCE
INFORMATION FOR PARENTS

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government’s commitment to breaking the link between a student’s background and their outcomes.

CAMPS, SPORTS & EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors, excursions encourage a deeper understanding of how the world works and sports teach teamwork, discipline and leadership. All are part of a healthy curriculum.

CSEF will be provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:
• $125 for primary school students
• $225 for secondary school students.

HOW TO APPLY

Contact the school office to obtain a CSEF application form or download from www.education.vic.gov.au/csef

Student Accident Insurance, ambulance cover arrangements and private property brought to schools

Main Points

- Schools are reminded that the Department DOES NOT provide personal accident insurance for students. Montrose PS has no whole-of-school policy - parents/guardians must purchase it themselves.

- Parents/guardians of students, who do not have student accident insurance, are responsible for paying the cost of medical treatment for injured students, including the cost of ambulance attendance/transport and any other transport costs; and

- Parents/guardians can purchase insurance policies from commercial insurers. These cover a range of medical expenses not covered by Medicare or private health insurance.

- Personal property is often brought to school by students, staff and visitors. This can include mobile phones, calculators, toys, sporting equipment and cars parked on school premises. As the Department does not hold insurance for personal property brought to schools and has no capacity to pay for any loss or damage to such property, students and staff should be discouraged from bringing any unnecessary or particularly valuable items to school.

- Principals should remind parents/guardians and staff that the Department DOES NOT hold insurance for personal property brought to schools and it has no capacity to pay for any loss or damage to such property.

Additional Information

- The Department cannot advise parents/guardians on whether to purchase a student accident policy or which policy to purchase. It is recommended that they seek assistance in this matter with their insurance broker or find a suitable personal accident insurer in the Yellow Pages or online.
