CANTEEN VOLUNTEER FORM 2018

Montrose Primary School's canteen operates every Wednesday and Friday and is a hype of activity on these days. Vital to the operation of our healthy eating canteen is our dedicated team of canteen volunteers. Each week we require 4-5 volunteers to ensure we can provide freshly prepared hot and cold lunches and serve healthy treats at recess and lunch.

Our canteen volunteers find a day in the canteen very rewarding and the children LOVE seeing their family members in the canteen. It's a busy but fun day. The children always keep us well entertained. It becomes a fun a social outlet for many and a great place to meet others in the school community.

Wednesday's operate with 1-2 volunteers and on Fridays we have a team of 3 volunteers assisting our Canteen Manager. On Fridays we are able to offer one split shift per team which assists those with little ones who don't want to miss out on the fun. Generally our volunteers are rostered on once or twice a term.

If you would like to join our team of canteen volunteers on a Wednesday or a Friday in 2018 please fill in the form below and **return to the office prior 8th December 2017**. A roster will be drawn up when school recommences in 2018.
