Message from the Principal

Hello everybody,

Grandparent Thank You
Yesterday we had the pleasure of welcoming over 150 grandparents to Montrose. It was great to walk between the classrooms seeing children engaged with their special visitors playing maths games, demonstrating their reading and writing skills and singing songs.
Visits to the drama room proved very entertaining whilst the art room became a challenging construction zone where passers-by dropped in and stayed to join in the fun.
The oval proved to be a great spot to sit in the sun and watch the PE classes' final preparation for the athletics day on Wednesday.
Thank you for your patience as the tea and coffee queue stretched well into the hall. A great time was had by all. See you again next year.

Fun Night
A huge congratulations to the Prep Team for the organisation of the Fun Night held last Friday from 4 till 5.30.
The team hosted a games night for current prep and kinder kids which was shifted inside because of the weather. I had the best time overseeing the 'egg and spoon' races and it was great to see the kids having a ball as they did their best with the slippery eggs. It is always amazing to see the growth that occurs in the year between kinder and prep… that's the reason the prep team always have such big smiles on their faces. Well done to all involved!

PUPIL FREE DAY next FRIDAY
Just a reminder that next Friday is a pupil free day as the staff are focussing again on the teaching of mathematics with our mentor Michael Ymer. This day also unfortunately coincides with the District Cross Country event. Miss Knell has been terrific with her organisation to minimise the impact of this day. If your child is involved in the Cross Country you will have already received the appropriate communication, otherwise you will need to make alternative arrangements for your child for the day.

Neil Pollard
Thank you Emma Hedges, Terri Archer and Arathi Jensen for your help in Canteen on Friday and Karen Wheeler for helping on Wednesday. This week’s helpers are Annette Murphy, Kylie Sheperd, Darleen Larcombe and Terri Archer for the Special Asian lunch on Thursday 21st May and Gemma Heemskerk, Elle Marcombe and Ruth Osborne for Friday 22nd May.

Please remember next **Thursday 28th May the canteen will be open** instead of the Friday.

**Soup** for next Wednesday 27th May is **Chicken Noodle!** Remember to get your order form in by the end of Tuesday.

Thanks
Alison

Value of the Week: Responsibility

What is it?
Being responsible is a sign of growing up. It means you are willing to be accountable for your behaviour.

It means doing something to the best of your ability and keeping your agreements.

TERM 2 WEEK 6

CROSS COUNTRY TRAINING
With only a week to go until the District Cross Country, our final training sessions are the following:
Friday May 22nd – Lilydale Lake
Wednesday May 27th – School

Note: There is no cross country training this week as it is the House Athletics Carnival day

HOUSE ATHLETICS CARNIVAL
A tabloid of students will begin at 10am and conclude around 2pm. Some Grade 3 – 6 students will participate in the 800m event at 9:30am.
Students are to come dressed in their house colours and of course have appropriate running shoes on.

In the event of rain and the day being cancelled, the back up date is the following Wednesday – May 27th.

INTER-SCHOOL SPORT RESULTS
V Pembroke Primary School
Last Friday’s Inter-school Sport matches were a wash out. These games will be made up on Friday June 5th.

This is the back up date for the District Cross Country. In the event of rain at the District Cross Country, our Inter-school Sport matches will move to a later date. We will keep you posted.

Maths For Parents!

Montrose Primary School

Wednesday June 3\textsuperscript{rd} 2015
7.00-8.30 pm

Presenter: Michael Ymer

Michael Ymer is a specialist mathematics consultant from Melbourne, Australia. He is involved in many Professional Development programs in schools across Australia and Asia.

Michael is an enthusiastic and entertaining presenter who has a clear and practical approach to the challenges that confront schools and parents in mathematics. On this evening Michael will address the following issues:

- What is my child learning in Mathematics?
- How can I help my child become an efficient problem solver?
- How do children best learn Mathematics?
- How can parents promote quality thinking and learning?
- How can I help my child in Mathematics?

Michael has been working with the Montrose Staff for the past 18 months to improve our teaching and learning of Mathematics. I commend this evening to all parents as a very worthwhile session that will help you understand the focus of Mathematics in schools today and offer strategies and ideas to help you support your young Mathematicians.

We look forward to working with you on this evening,

Glenn Storr
