- Canteen Lunch orders to be in by 9am Wednesday and Friday

2014 Term Dates
- Term 3: 14 July to 19 September
- Term 4: 6 October to 19 December

**Message from the Principal**

Hi Everybody,

**Parent Opinion Survey**
Each year the Department of Education and Early Childhood Development conducts three surveys to provide schools leadership teams with information that assists reflection of performance and developing future directions for improvement.

**Student Attitudes to School Survey:** Is administered to all students in years 5 & 6 (and for all students in years 7-12 for government schools).

The **Staff Opinion Survey** is administered to all staff currently employed in at the school.

The **Parent Opinion Survey** is directed to 20% of our families. Selection is through an electronically generated random sample. During your time at Montrose you may be asked to complete this questionnaire once, every couple of years, or for some not at all. Responses to all questionnaires are confidential. Though some individual answers may be of high interest, it is the collated responses that give a big picture overview of the opinions of each of the three stakeholder groups.

As the Parent Opinion Survey is a Random Sample, it is important that they are filled in returned. The higher the percentage of returns, the more accurate the overall data will be. The survey will be sent out on Monday July 28 and returned by Friday August 1.

**DEECD Data Collection forms**
Each year the Department of Education and Early Childhood Development collects probably the most important data that has impact on the funding levels for schools.

Questions include whether families are of Aboriginal or Torres Strait heritage, whether your family came from overseas, the main language spoken at home and the highest level of schooling for the parents. The current Parent Occupation category group has high impact on the funding. If you are unemployed or have not performed that role in the last 12 months an 'N' should be entered.

**NOTE:** Prep School Nurse visit postponed until term 4

Neil Pollard
Thank you Julie-Anne Carlson, Natalie Closter and Fran Speight for your help in the canteen on Friday and Caroline Peat for helping on Wednesday. This week’s helpers are Kylie Sheperd for Wednesday 23 July and Cathy Qin and Julie-Anne Carlson for Friday 25 July.

**PLEASE REMEMBER:**

**Tomato Sauce:** will now cost 20c and come in an individual squeeze-on sachet.

Next week’s soup for Wednesday 30 July is Minestrone.

**Alison**

Minestrone Soup (＆ dinner roll) 30 July

Name: ........................................................................................................

**Financial Assistance – Information for Parents**

**EDUCATION MAINTENANCE ALLOWANCE (EMA)**

The Education Maintenance Allowance (EMA) is provided by the Victorian Government to lower-income families to help with education-related costs. You must be a holder of a current Healthcare Card valid from 14 July 2014.

**How to Apply:** Contact the school office to obtain an EMA application form. Closing Date: You need to obtain an EMA application form* from the school office and return by 1 August 2014.

*Parents who received the first installment EMA payment through this school DO NOT NEED TO LODGE ANOTHER EMA APPLICATION FORM to receive the second installment plan.

Value of the Week: Assertiveness

Being assertive means acting in a positive and confident way. When you are assertive you think for yourself. You don’t follow others, particularly if you think that by following you will do something you feel is wrong.

Assertiveness is standing up for what you feel is right and expressing your own ideas.
Non-fiction (fact) books

At the far end of the library are the information (fact) books - these are terrific for your school projects and have study tables nearby.

The information books cover a huge range of topics for your research and also just for your interest:

- Fascinating fact books (like Ripley's Believe it or not! & Guinness Book of World Records)
- Books to help with your hobbies (like building cubbyhouses, playing a musical instrument, beating Dad at chess & making arty-crafty things)
- Books about your favourite sports (everything from cricket & footy, to netball, horse riding, bike riding & skateboarding)
- Information books for your school projects (technology, science, history)
- Fun books to look at (like dinosaurs, sharks, human body, pets, spies, jokes & decorating your bedroom)
- Books to share with your family, with science experiments, paper planes, indoor & outdoor games & cooking recipes
- Terrific true adventures & biographies (like Anne Frank's Diary, Ned Kelly, Steve Irwin, the Titanic, the first man on the moon & survivors of disasters).

COME IN & FIND THE BOOKS ON YOUR FAVOURITE SUBJECT... OR TRY A NEW TOPIC!
SPORT SHORTS

Whilst we are only back a week from holidays... the first week was huge in the P.E. and Sport world! It all started on Tuesday with the beginning of a week’s worth of Basketball Clinics thanks to the Kilsyth Cobras. Each prep student received a Basketball after their clinic and were very thankful for the gift.

Thursday Eythan H - 6F represented the school at the State Cross Country competition and should be very proud of his effort and result. Also on Thursday our Mixed Netball and Football sides played in Divisional finals after winning at District level last term. The footy team played against St. Peter Julian’s and unfortunately lost by a few goals in the incredibly wet and muddy conditions. A big thanks to the parents who assisted with transporting the students and Kellie for washing all of the ‘very muddy’ uniforms.

The Mixed Netball team played against Kilsyth Primary School (thankfully indoors). It was a close match but unfortunately Kilsyth were just a little bit too strong for us. A big thank you to Shelley for coaching the team to great success.

To finish the week the Grade 6 students participated in the Hoop Time Basketball Competition at Kilsyth Basketball Stadium. It was a wonderful day enjoyed by all. Well done to all players for trying their best, showing good sportsmanship and having fun. Congratulations to the All Star Boys and Montrose Mavericks (future stars) for being premiers on the day. These two teams will progress through to Regional finals in Term 4. Thank you to all of our past students, parents and teachers for coaching, scoring and managing all 10 teams.

Grade 5 Hoop Time is on Friday August 1st.

Miss Knell

SPORT STAR OF THE WEEK
Name: Oliver L Grade: 2G
Nomination reason: For his fantastic attitude and effort every week in P.E. and Sport sessions
What’s the most important thing about sport? Having fun and working with your team
My favourite sport is: AFL
My favourite thing about P.E. lessons: Ship, Shark, Shore and other mini games
My favourite football team: Hawks
My sporting hero: Jarryd Roughead
At lunchtime I like to: Play basketball
The best thing about school is: Specialist lessons like sport
My favourite food: Mango
When I grow up I want to be.... An AFL coach
There are so many new apps for mobile devices coming out every day that seem incredibly attractive to our children, but how do we know which are safe and which are not?

The apps I’ve selected below are some that you may not yet be aware of that use video or photos and have a social aspect to them. There are many more similar apps, but these particular ones are really getting very popular, especially with children under 13 years of age. A quick cursory look through the public stream on each of them is showing that far too many kids under 13yrs are using them against the Terms Of Service set by each app. Parents need to check the age ratings for each app before downloading them for a child. Set up parental controls on your child’s mobile device so that your child can only download apps you approve.

**Kik 17yrs+ Free:** An instant messaging app.

**Dangers:** Being used instead of SMS. You can send pictures and hold private and group conversations. Users can be searched for, if someone knows your user name or has the email you created the account with, they can search for you on Kik. Dangerous if inviting friends from other social networks. Some kids are sharing their Kik user name on Facebook, and Instagram exposing themselves to strangers contacting them. Obviously no parental controls as it’s designed for adults.

**Snapchat 12yrs+ Free:** A photo sharing app for sending SMS photos. Users set the pictures to delete after a few minutes.

**Dangers:** Snapchat is being used for sexting. But because it’s so simple to do a screen capture on phones, photos can be copied. No parental controls. Photos are not really deleted they go into folders on the recipients phone, and a quick search on YouTube for a How-To-Find Snapchat Photos Tutorial can show you exactly how to retrieve them.

**Instagram:** 13yrs+ Free: A public Photo sharing app using your mobile devices camera. Public sharing on Instagram and other social networks. There is a privacy setting within Instagram, where you must approve followers, but you as the parent would have to supervise each follow, otherwise all photos on Instagram are public on the browser version of Instagram at www.instagram.com.

**Dangers:** Stranger follows, if privacy setting not set. Location Services can be turned off and should. No parental controls. The danger is if one of the followers share your photo elsewhere, or your child get’s bullied in comments.
Vine: 17yrs+ Free: A public video sharing app, using your mobile devices camera. Take a short video upload it to Vine share it on Facebook, it goes out publicly. You can report offensive videos.
Dangers: Your child may attract adults who will follow the child’s account, find out where the video was taken, via location services or Geo Location. Share the video with their networks. There is quite a bit of Porn on the App. Lots of swearing and rude videos.

KEEK: 13yrs+ and then with parental permission up till 17+: A public video sharing app, using your mobile devices video camera. Can block other users, and turn off comments.
Dangers: Adults can subscribe to your child’s updates, view all their content and find out where they live through Geo Location. Comment on their video’s. No privacy settings or restrictions to adult content. NOT for kids. No parental controls.

What Is Recommended?

Skype
It’s a really great alternative to other instant messaging services, it’s Free, works on Wi Fi and 3/4G and has easy to set up privacy settings which MUST be set up for safety. It’s not a social app. Kids can use it to talk to friends one by one or in a group, share pics, or text each other. Use with supervision, teach kids about video camera safety, and check out their friends. Works on all platforms.

The internet houses an amazing amount of information for parents about cybersafety and keeping your children safe online, the following website has provided information for this summary and is well worth a look:

Save the date!

The next school Working Bee will be held on **Sunday 24th August**, from **2pm – 5pm**.

The major project for this Working Bee will be the completion of the **Digging Pit**, to be located alongside the Junior School playground.

Tasks involved will include:
- Securing edging
- Barrowing sand
- Barrowing soil
- Planting
- Mulching

This project is aimed at providing an additional area for the more junior members of the school community to play. **Families of grades Prep-2 kids** in particular, this is your chance to be involved in a project that may directly benefit your kids.
CONFIDENCE is this term’s YCDI Key for Success! You can show confidence this term by:

- Trying something new
- Talking with a strong voice
- Answering a difficult question in class
- Asking to play with others
- Volunteering to do a job

Unfortunately our Grade 6 YCDI Leaders were out at Hooptime this week and unable to interview the recipients, but here is what their teachers had to say about their worthiness of the Confidence Key for Success Award:

This student from 3/4Y has come along way in her confidence this year. It was an impossible task to crack her turtle-like shell at our Meet the Teacher day and now she is eager to share what she did on the holidays with her class. She accepts that she has a quiet voice and that she needs to project it, in order to share her thoughts during class discussions. This student has made a real effort to give new things a go and is starting to show more independence in her work. Keep up the amazing I CAN DO IT attitude, Alyssa N from 3/4Y!!

The Junior YCDI Confidence Key for Success Award goes to a Prep student who has shown amazing confidence from his first day of school. He is always willing to share his amazing facts on life with everyone he meets. He is also very happy to share a song or two, and he has a beautiful voice. Congratulations Cale R Prep H!
Have you got your 2014 / 2015 Entertainment book? Don't miss out!
Only $65!
Purchase at the office or online via our school link:
* $20,000 worth of offers
* Use now until 1 June 2015

Lost! Hoodie Size 14 - KELLETT. Please return to office.
Week Two – Term Three – Staff Update

This week we have a new face in the room – Lucy, who is being trained up to run her own Camp Australia service, so please if you see Lucy around, say hello. I will continue to run the service with the help of Jerome on Tuesday and Thursday afternoons, Ashleigh will be in Wednesday and Thursday mornings as of next week, and Ali is currently on maternity leave and is expecting a little girl in October - Mary

Buddy Leaders

So last week we announced that Taylah, Bek and Jake became our first OSHC Buddy Leaders. Please also congratulate Aaron in Grade 6 and our youngest Buddy Leader, Natalie who is in Grade 3. All these children have shown to be approachable and reliable when it comes to needing a friend. Please come and help congratulate them in next week’s (1st August) assembly – Mary

Aaron and Natalie – Our Newest Buddy Leaders
