Message from the Principal

Hi Everyone,

Yesterday we welcomed eight children and their teacher Mr Su Xin (Michael) to Montrose. This is the second time we have hosted small groups of children to stay with families in Montrose. They arrived in the middle of a hailstorm and the day continued to show the four seasons that Melbourne is known for.

The children enjoyed a snack and chat from Miss Yao... made all the more enjoyable with a Tim-Tim encounter. They then spent time traveling around the school before enjoying lunch play with their hosts. This is a treat for our guests as lunch times are usually spent indoors at our sister school.

Then it was home with the host families. Some 'facetimed' and so met up with the visitors family... wow! Today Mr Su gave a presentation about Kunshan and the school before opening the floor to questions from our Montrose kids. This afternoon I took Mr Su to an Education Department formal welcome before joining the hosts and their extended families bowling at Chimside Park.

Tomorrow will be an excursion to the Mornington Peninsula to ramble over the Sorrento rockpools, climb the Cape Schanck lighthouse and solve the puzzle of the Ashcombe Maze.

Thursday will be a trip to Melbourne for a trip to the museum, Eureka towers and more.

What a wonderful experience, with many more stories to share.

Working Bee Success... But help needed for the final stage...... CHIPPIES WE NEED YOU
A small, tenacious band of parents braved a wet start and performed amazing feats on Saturday morning. They have transformed the ‘dead’ area beside the bike shed into a great activity for kids. Well done to organiser Stacey for the work done so far... the final stage needs expert craftsmanship. So Chippies... we need you. See the working bee report further into the newsletter.

Neil Pollard
Thank you Kate Critchley, Kate Stephen and Elle Marcombe for your help in the canteen on Friday and Elle Marcombe for helping on Wednesday.

This week’s helpers are Emily Watson for Wednesday 5th August and Nicky Thomas and Nicole Foster for Friday 7th.

Soup for Wednesday 12th August is Pumpkin Soup! Remember to get your order form in by the end of Tuesday.

Thanks
Alison

Thanks a million!!

The Grounds Committee would like to give a huge “thank you” to the following folks who turned up on a damp and cold morning last Saturday to help build the Gaga Pit:
The Lockhart family, the Clarke family, the Rowe family, the Commins family, the Alexander family, the Bouwhuis family, the Jensen family, the Barker family, Malcolm and Lorraine Pedder, Miss Cheong and Mr Pollard.

Special thanks to Di Bouwhuis for manning the BBQ, and to Rich Lockhart for his fantastic guidance and expertise.

The last step in this project is to build the floor for the Gaga Pit, and carpentry assistance will be required. We would love a parent (or grandparent) with carpentry skills to get on board and help us complete the project. If you can help, please call Stacey on 0434 357 178.

Courage

What is it?

Courage is doing things even when they are scary or very difficult. When we make a mistake, courage helps us to have another go.

Sometimes, we let fear stop us from achieving the things that are important to us; courage gives us strength and helps us do the things that are right for us to do.
CONFIDENCE is this term’s YCDI Key for Success! You can show confidence this term by:

- Trying something new
- Talking with a strong voice
- Answering a difficult question in class
- Asking to play with others
- Volunteering to do a job

DISTRICT ATHLETICS CARNIVAL
Our District Athletics team will be announced at the end of this week and will commence before school training sessions next Wednesday August 12th at 8am. Students are selected in specific events based on P.E. results and performance at the House Athletics Carnival in Term 2. We have approximately 65 students in our team, ranging from Grades 3 to 6.

STATE NETBALL CHAMPIONSHIPS
Each year we send two mixed netball sides to the State Netball Championships at the State Netball and Hockey Centre in the city. Trials for these teams commenced last week and will conclude at the end of the week. Maths Masterclass- Prep, Grade 1 & 2

Question 1: How many lollies were in the bag?

Max and Lucy were given a bag of lollies. They shared them out evenly between themselves and had one left over.

Just as they finished sharing the lollies their friends Lily, Sam and Harry came along. They decided to share the lollies out again between all the children and they had 2 lollies left over.

How many lollies were in the bag?
Congratulations to the first ever 3-6 Maths Masterclass Winners:
Ellena (4VW) and Ella (5/6H)
for correctly identifying the shortest route (44km) and writing the strategy they used!
Primary: Real Friends

Friendships are built on what you do online and offline.

What’s the issue?
Most people act a little different at school to how they are at home, or when they are out with friends.
When you use social networking sites, it is very easy to be a lot different from your offline self and you can be tempted to break all the relationship ‘rules’ of trust and honesty.

Why does it matter?
- Our relationships with the people around us are important for our self-esteem and confidence.
- People who are great to know are comfortable with themselves and take the time to really get to know the people around them.
- Every time you interact with other people either face-to-face or online, you are presenting a particular insight into who you are. Would you want to know you?
- Having secrets, and lying gets in the way of real friendship.
- Relationships are built on what you say and what you do.

Advice
Be a friend to yourself
- Accept that no-one is perfect! If you want to change something about yourself, try taking small steps towards your goal.
- Give yourself a pat on the back when you do something particularly well!

Show respect for the people who care for you
- When we get disappointed or unhappy it is easy to take it out on people around you because you know that they will forgive you. Take a deep breath or go for a walk and think about what is actually happening and what you really want to say or do—talking it through is better than blaming or throwing a tantrum.
- Telling lies, online or offline, is the same thing.

Be a real friend to others
- It’s nice to share things with friends but sometimes what they do isn’t what you are comfortable doing. Be prepared to say what you think and only get involved in stuff you choose to.
- Understand that someone you know and trust may sometimes have a different point of view.
