Message from the Principal

Hi Everybody,

Welcome back to term 4! I hope you were able to enjoy some extra time with your kids over the break. This term sees many exciting and varied activities ahead for the children and for you the parents. Our Prep to 2 children met Sarah Butler who will be taking music this term. For most of you, we will have to wait till Carols to meet Sarah. Our Athletics Squad will be tested this week at the Divisional Aths Carnival whilst in the following few weeks the upper school Hootime finals will be held. Miss Knell has also lined up a series of clinics led by Melbourne Victory soccer club and Tennis Australia. Important Dates:

Tuesday Oct 14: Camp info night for 2015 Grade 6 parents. This is a special night on a number of fronts. This is the first time our 6s will be attending the Anglesea camp and we would like to outline the program. The camp is also to be held very, very early next year. So all details and organisation need to start happening now!! Not to be missed!

Thursday November 13: Pupil Free Day. Our maths team have secured the services of ‘hard to get’ maths guru Michael Ymer for a day. This is a great opportunity to tap into a rich wealth of maths knowledge. Parents please note that arrangements will need to be made for your children on that day.

Tuesday November 18: Cyber Safety Night. At 7.00pm Mrs Norman has managed to book the outstanding speaker in this field. This is a terrific opportunity not to be missed... so mark it into your diary and be sure to send in ‘reply slips’ when the time comes.
THIS SUNDAY 9-12.... A working bee See the ‘in depth’ note later in the newsletter.

Neil Pollard
Thank you Natalie Closter, Julie-Anne Carlson and Phillippa Commins for your help in the canteen on Friday last term and Karen Wheeler, Ruth Osborne, Amy Polglaze and Kylie Sheperd for helping with the Footy Day lunch on the Wednesday. This week’s helpers are Janice Pedersen for Wednesday 8 October and Nicky Thomas and Fran Speight for Friday 10 October.

Welcome back everyone and to the sunnier and warmer months of the year. An updated menu for **Wednesday** will be coming home and is also included in this newsletter. Please note soup is now finished for the year but freshly made sandwiches and rolls are available on Wednesday as well as some **Special Wraps** - chicken tender, Mexican and falafel are all back along with the delicious **Meatball Roll**.

Also returning are yogurt cups with fruit puree, jelly grape cups and fresh fruit kebabs which are all available as counter sales only.

**Friday** canteen remains the same except **Fresh Fruit salad** is now available with the option of adding a large scoop of yogurt for just an extra 50c!

Books on display

All around our library, you will see books on display – so that you can see their wonderful covers.

Books have very creative and visually attractive covers, which the publishers have designed to make you want to open them up and read. The Library is making use of this by displaying so many books with their covers showing.

Everywhere you look in the library, you will see books being displayed for you to borrow.

- Books, face-out, on top of shelves
- Books on the display pyramid – in fact, ‘New Arrivals’ (the newest books in the library)
- Books on display shelves
- Special displays of books to celebrate community activities, like Children’s Book Week, Easter and Christmas

That old saying “Don’t judge a book by it’s cover” does not apply in the Library. Come in and see how many book covers make you pick up a book for a closer look!
Working Bee Reminder

Don’t Forget!

The rescheduled school Working Bee will be held this **Sunday 12th October, 9am – 12pm**.

The major project for this Working Bee will be the completion of the **Digging Pit**.

Tasks for the day will include barrowing sand, barrowing soil, planting and mulching.

If you are planning to attend, **extra wheelbarrows & shovels** would be appreciated!

There will be a **games session** for the kids run during the Working Bee, and a **BBQ** at the end of the morning.

This will be the **last Working Bee** for this year – come and help with the final grounds project of 2014!!
Take steps with me to support Walk to Cure Diabetes

This year I’m taking steps to change the future of type 1 diabetes (T1D) by joining the Walk. You can help. The Walk to Cure Diabetes is the world’s largest event dedicated to T1D. Since we began walking together over 20 years ago we have raised nearly $30 million for vital research and raised awareness of T1D. There’s more work to do.

My name is Cody Barker and I am 8 years old. I was diagnosed with type 1 diabetes at 4 years old. I will be joining the Walk to Cure Diabetes at Albert Park Lake on Sunday 19th October because I would like to find a cure for this autoimmune disease. To me, a future without type 1 diabetes would mean no more needles, no more carb counting, and no more hypos.

T1D is a serious disease that affects 122,300 Australian children and adults. They need up to six insulin injections every day or a continuous infusion of insulin through a pump, just to stay alive. Unlike type 2 diabetes, T1D is an autoimmune disease that cannot be treated by going on a diet or cutting down on sugar.

JDRF is the only global organisation with a strategic research plan to end T1D. The plan is to deliver an ongoing stream of life-changing therapies moving from development through to commercialisation that lessen the impact of T1D. JDRF wants to help keep people with T1D healthy and safe today until we reach our ultimate goal of a cure and universal prevention of T1D. Visit the JDRF website www.jdrf.org.au to find out more about the latest research.

Please join me at the Walk to Cure Diabetes at Albert Park Lake on Sunday 19th October and make a donation to my personal fundraising web page - http://jdrf.org.au/codyscrusaders - and one day you will be able to say that you helped turn Type One into Type None.
