Message from the Principal

Hi Everyone,

**Hoax phone calls to Victorian schools**

Dear parent,

I am writing to reassure you in light of the recent hoax threatening phone calls to Victorian schools in the last few days.

Our school has **not** received such a call but I wanted to inform you that, like all schools, we have an emergency management plan in place for situations like this, and we practise it throughout the year.

Those schools which did receive a threatening call enacted their emergency management plans and they worked well.

The safety and wellbeing of our students is always our top priority.

In the event that we need to evacuate the site, all children and staff will move to the Montrose Town Centre Park. An SMS message will be sent to the mobile of the first listed parent in our files.

If you have any questions please contact me.

Parent Helpers in the Classroom sessions

Two sessions have been planned for parents wishing to assist in the classrooms.

In order to do so parents will need to attend one of the sessions listed and have provided the office with a copy of a current Working With Children check. **If you have a WWC check from work you have done with other community groups, you should also go on-line and link Montrose PS to your card.**

Session 1 Thursday Feb 18 3.40-4.30 Early Learning Centre.

Session 2 Monday Feb 22 9.05-10.00 Staff room

(please note: If you have attended this session in the past you are not required to attend again).

Badges for class leadership positions.

Inspiration, Junior School Councillor and Wellbeing Leader badges for years 1-4 will be presented at assembly this week. (Years 5 & 6 badges will be presented the following week).

Insurance

Please take close note of the insurance note contained within this newsletter. It states that neither the school or the Department of Education and Training has accident insurance for the students. Please read the information carefully.

**Previous Students News**

Congratulations to Corey Waite who has been made Year 8 school captain at Lilydale High School!

**Effective & Engaging classroom program**

Last week our year 1-6 classes completed their Effective & Engaging classroom program. This was a week given over to finding out about the group as a whole, how they would like to be treated and building a learning environment that they would support them as students.

Each class spoke about the processes they went through, and presented a class contract, a set of expectations for their teacher, a mural that served to unify the individuals into a group and a motto that defines their group thinking for the year.

The mottos are presented below. Ask your child to describe their mural, and then their motto, and what that means for them as they take on the challenges ahead.

1C  Super 1C…using our powers to blast through the year.

1R  1R will work for bananas

1A  We are a birds nest.

12G  We’re going to soak up knowledge

2N  Unleashing our creativity in the 2N lab.

2M  Exploring New Ideas!

2VW  Working in Harmony

3G  Always bright and colourful and sweet as we roll our way to success.

3H  Staying in control to achieve our goal

3K  All different but all delicious! Working together to create a balanced diet of fun and hard work.

4B  Training to be Masters

4S  Reaching for the stars

5/6A  Little things…… big possibilities

5/6B  We will be focussed and working hard so next year we will nail it

5/6D  Making our way to the top of the scoreboard

5/6M  We may be small but we have cracking ideas
Friendship Seat Feels Great!

Here is Geoff from the Men’s Shed and two grade 3 children trying out the Friendship Seat. The seat was the initiative of Grade 3G last year following their study of local government. The class contacted the Parent Club to seek funding support, and then approached the Montrose Men’s Shed for the sign.

Great work kids!

LET’S SING! JOIN THE CHOIR!

Choir is back for 2016! Hooray!

NEXT WEEK’S VALUE

**Fairness**

What is it?

Practising fairness is being fair in everything you do. It is not judging someone or something by what others tell you.

Fairness means that everyone gets their rightful share. It is not fair to allow someone to take advantage of you. Sometimes to be fair, we need to stand up for our rights or the rights of others.

When you practise fairness, you treat each person as an individual.
TERM 1 WEEK 3

WHOLE SCHOOL FUN RUN
On Friday March 4th is the whole school Fun Run. Students will participate in 3 x 20-30 minute sessions throughout the day, with the aim of completing as many laps as possible. Prep – 2 students run around the oval, while Grade 3 – 6 students complete laps of the fitness track.
- Students are to come dressed in their house colours
- Must have appropriate running shoes on
- Bring a drink bottle and wear a hat
- For every $5 students raise they receive 1 raffle ticket
- We also tally the number of laps each house runs

BEFORE SCHOOL SWIMMING
Congratulations to our 24 students in the Swimming Squad, who have been training hard before school twice a week. It’s been great to see how much the students have improved over the sessions. A big thank you to everyone who has helped with training and for providing fruit after each session. The students will have the opportunity to participate at the District Swimming Trials on Monday February 22nd. Well done!

BASKETBALL CLINIC UPDATE
It was so exciting to receive 71 forms from students in Grades 1 and 2 expressing their interest in the Basketball Clinics this term. With so many keen students we have created two Grade 2 boys groups and have added an extra coach for the Grade 1 and 2 girls program. A note will go home to students who are involved in the program this week, with clinics commencing next week.

Well done Starla H.

**Alex H 2VW**: After such a positive start to the year by all the students in 2VW, the task of choosing one student for the ‘Getting Along’ YCDI award wasn’t easy. However one student has arrived every day with a smile on his face. He listens carefully to both his teachers as well as his classmates. He has shown he can ‘play by the rules’ and certainly thinks carefully about his choice of action. He has sincerely encouraged his peers giving them positive feedback at any opportunity. It has been wonderful watching his positive influence. Congratulations Alexander H.

FINANCIAL ASSISTANCE
INFORMATION FOR PARENTS

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government’s commitment to breaking the link between a student’s background and their outcomes.

CAMPS, SPORTS & EXCURSIONS FUND (CSEF)
School camps provide children with inspiring experiences in the great outdoors, excursions encourage a deeper understanding of how the world works and sports teach teamwork, discipline and leadership. All are part of a healthy curriculum.

CSEF will be provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:
• $125 for primary school students
• $225 for secondary school students.

HOW TO APPLY
Contact the school office to obtain a CSEF application form or download from www.education.vic.gov.au/csef

Student Accident Insurance Arrangements

Main Points

- Schools are reminded that the Department DOES NOT provide personal accident insurance for students. Montrose PS has no whole-of-school policy - parents/guardians must purchase it themselves.

- Parents/guardians of students, who do not have student accident insurance, are responsible for paying the cost of medical treatment for injured students, including the cost of ambulance attendance/transport and any other transport costs; and

- Parents/guardians can purchase insurance policies from commercial insurers. These cover a range of medical expenses not covered by Medicare or private health insurance.

- Principals should remind parents/guardians and staff that the Department DOES NOT hold insurance for personal property brought to schools and it has no capacity to pay for any loss or damage to such property.

Additional Information

- The Department cannot advise parents/guardians on whether to purchase a student accident policy or which policy to purchase. It is recommended that they seek assistance in this matter with their insurance broker or find a suitable personal accident insurer in the Yellow Pages or online.

School Banking starts back Thursday 11th February

Banking runs weekly, children need to drop their bank books to the Office or their teachers Thursday morning. Anyone interested in starting School Banking can pick up some information from the Office.

Lilydale Heights College - Farewell Mr Greg Hancock

After 45 years dedicated to public education and 38 years at Lilydale Heights College, including 10 as Principal, Greg Hancock has chosen to retire. Greg will be remembered by many parents and students as a committed and dedicated leader who built lasting relationships with many families and supported them and their children in education over many years. We wish him every happiness in his retirement.

Welcome Ms Rosina Fotia

The Lilydale Heights community is pleased to welcome Ms Rosina Fotia as Principal of Lilydale Heights College. Rosina has lived in the local community for over 25 years and has gained extensive experience working in schools in the local and surrounding areas over many years. Rosina is keen to meet families from the Lilydale Heights community and invites you to join her on a tour of the school. Please contact Lilydale Heights on 9735 1133 to arrange a tour with Rosina.
Welcome Back!!!

It’s 2016 and we’d like to welcome you back to Camp Australia Montrose and to also welcome our new families to Outside School Hours Care. Please feel free to “pop” in and visit my friendly staff and I during operation hours.

Camp Australia Montrose OSHC is open 7:00am until 9:00am (Before School Care) and 3:00pm until 6:00pm (After School Care)

New families wishing to utilise the service are asked to register online via the Camp Australia website:-

www.campaustralia.com.au

Once there, type in “Montrose”, locate the school and register by entering your details. This will create an account for your family and you will be able to manage all your bookings online via the “Parent Portal”. Please make yourselves familiar with the terms and conditions before booking your child into any service.

Who Are Your OSHC Team in 2016?

I will continue to coordinate the service and celebrated 9 years with Camp Australia this January and 9 years as Camp Australia’s Montrose OSHC Coordinator in April. Alongside myself will remain 1st Assistant Emily Davis and 2nd Assistant Abbey Gardner, who have both been involved at the service in the past. There may be times when this may change, but we will endeavour to keep you all informed.

Medical Management Plans

A big thank you to the families who have returned their children’s medical management paperwork to the service. If your child suffers from any allergy, tolerance, illness etc, this needs to be documented and submitted to the service. Please collect the relevant paperwork from the OSHC room, alternatively, please contact the room and we can arrange to have this paperwork sent home with your child. All documentation is required by Friday 19th February (as are all enrolments to be signed) if your child has already started utilising the service.

Sun Smart Safe

Camp Australia Montrose OSHC is a Sun Smart Safe Service and your child is required to adhere to our policy. All children are to wear a hat (no caps) whilst engaging in outdoor activities during Terms One and Four and are to wear sun screen (provided). If your child has a tolerance to sunscreen, please provide an alternative for them and a note explaining this – it’s amazing how many children say “I'm allergic to sunscreen” to find out that they are not. If no hat or sun protection is supplied, your child will remain inside.

Stepping Stones  Keyboard  Drums  Guitar  Song Writing

In conjunction with qualified teachers and professional musicians, we have developed a two stage music tuition program that allows each child to follow an individualised lesson path that grows with them.

Stage 1: Stepping Stones  (Prep to Grade 2)

Children in early primary school years are introduced to instrumental music through our Stepping Stones program. This program gives children the opportunity to:

- Experiment with instruments including keyboard, guitar, percussion and singing.
- Develop the fine and gross motor skills needed to play an instrument.
- Learn fundamental music theory and notation.

As soon as a child is developmentally ready to progress to learning a dedicated instrument this program provides a smooth and supported transition to the child’s instrument of choice.

Stage 2: Instrumental Music Program

Our instrumental music programs provide children with an engaging experience based on individualized learning plans that includes learning to read music and recognize musical patterns as well as opportunities to play in bands and ensembles.

Children will learn music that is relevant to them, at a developmentally appropriate level in a supportive and fun environment that balances challenge and success.
