Message from the Principal

Hi Everyone,
Buddies
Last Friday at assembly the many parents in attendance had the pleasure of our year 5 students introducing their buddies to the school community. We were all amazed at the confidence exhibited by the preps, many of whom grabbed the microphone and boldly did the introductions themselves.

Badges
This Friday at assembly I will present the badges to each class’ representatives for the following roles: Junior School Council, Inspirations and Wellbeing Leaders.

Green Forms
Last Tuesday the Green Family Information forms were sent home. Thank you to the many families who have already returned them. Even if there are no alterations to be made, please return the green forms tomorrow!

Insurance
Please take close note of the insurance note contained within this newsletter. It states that neither the school or the Department of Education and Training has accident insurance for the students. Please read the information carefully.

School Crossing
At assembly a couple of weeks ago I asked parents in attendance to think carefully about not taking a short cut from the school ground to get to Walker Road as the young children were practising bad road habits. Congratulations to the many who heeded this request. Our crossing supervisor Colin has reported a huge boost in numbers using the crossing. Fantastic effort!!

Fun Run
Our annual Fun Run is rapidly approaching…. Friday February 27th is the date! The incentive prizes are great! The sponsorship forms are coming home today… a description and instruction for new families will be included. It’s a short, sharp timeline, so start gathering sponsors!!!

Parent Helpers in the Classroom session
Around 30 parents and grandparents attended yesterday’s session on Classroom Helpers after school.
This course will be repeated next Wednesday morning Feb 25 at 9.05 in the staffroom.

St John Ambulance Training, 19 February 2015

St John Ambulance will visit our school on Thursday 19 Feb to deliver free First Aid in Schools training to our students. Through the First Aid in Schools program, trained St John presenters will lead all students from through tailored sessions on the importance of First Aid and what to do in the event of an emergency. Our junior students will learn about how to identify when there is an emergency, keeping themselves safe, and how to call for an ambulance. Senior students will learn about delivering CPR (cardiopulmonary resuscitation) and the things they can do to assist in an emergency.

Students will be given a special piece of homework for parents to complete. We encourage you to “do your homework” and go online with St John to see how much you know about First Aid. Are you First Aid READY?

More information about the St John First Aid in Schools program can be found at:
Student Accident Insurance Arrangements

Main Points

- Schools are reminded that the Department DOES NOT provide personal accident insurance for students. Montrose PS has no whole-of-school policy - parents/guardians must purchase it themselves.
- Parents/guardians of students, who do not have student accident insurance, are responsible for paying the cost of medical treatment for injured students, including the cost of ambulance attendance/transport and any other transport costs; and
- Parents/guardians can purchase insurance policies from commercial insurers. These cover a range of medical expenses not covered by Medicare or private health insurance.
- Principals should remind parents/guardians and staff that the Department DOES NOT hold insurance for personal property brought to schools and it has no capacity to pay for any loss or damage to such property.

Additional Information

- The Department cannot advise parents/guardians on whether to purchase a student accident policy or which policy to purchase. It is recommended that they seek assistance in this matter with their insurance broker or find a suitable personal accident insurer in the Yellow Pages or online.

Responsible Pet Ownership - Prep to Grade 2

The Preps, 1s and 2s had a special visit yesterday from Melinda and her great, big, HUGE dog Kato. They had a very important message to tell us about being safe around dogs.

The main 4 things we learnt about approaching a dog were:

1. Walk up slowly and stop.
2. Always ask the owner first if you can pat the dog.
3. Let the dog sniff your hand.
4. Stroke the dog gently.

Please have a chat at home with your family about safe ways to approach a dog when you’re out and about.

Students work together at Kings Swim School 7:15-8am on Wednesday morning and at Kilsyth Centenary Pool 7:15am - 8am on Friday morning’s. The focus is on participation, stroke development, entries, finishes and of course fun. Some students will go on to compete at the Divisional Swimming Competition on March 5th. Congratulations to all the students involved for giving it a go and to the parents for your support and early morning wake up’s!

MELBOURNE STORM RUGBY CLINICS

The Grade 3 and 4 students plus Grade 5/6H will be involved in Melbourne Storm Rugby Clinics on Monday Feb 23rd and Monday March 2nd during their P.E. lessons. This is a free program.

In next weeks ‘Sport Shorts’ page I will provide a list of important dates for the year. Please lock these into your diaries - assistance is always appreciated.

For now, if you have questions please don’t hesitate to come and ask

Grade Six Anglesea Camp

MAN! Camp was amazing. Everyone enjoyed a fantastic range of activities from water, heights, camping, mountain bikes and games galore.

The canoeing was fun. We had to go under bridges. We had to lie down flat and manoeuvre our canoe under the bridges. We also did races and gang up tiggy. We also enjoyed fishing. We used corn as bait. Shanelle, Amelie and Claire caught the biggest fish which was up to 18 centimetres big! But we had to let him back to the river.

Boogie boarding was very fun and cold. But..... Taylah J was awesome she stood up for ages! She got double dessert. Everyone gave it a good try and had a lot of fun. When we had time to just swim in the sea that was excellent! jumping through the huge waves was the best!

On Thursday, from 2-4 pm all of us went down to the beach to have a fun beach games session. We had races through the water. Poor Miss Knell gave us a great demonstration, but sadly kind of, well... Fell over let’s say. It was a great afternoon, we went back to have some dinner and watched a movie. Don’t even get us started on the vertical challenge.18 metres! Getting tangled in nets and falling off tyres! Don’t worry, we were in harnesses! Getting over the first log was the most challenging part, then there was the net and those tyres!

On Wednesday we hiked 4 kilometres, up a hill with rock steps and reached a scout camp site. We learnt how to pitch a tent and made hot chocolate in a Trangia. Then we had a relaxing night hike and then brushed our teeth and fell asleep on really hard mats and sleeping bags.

We had one specific stack during mountain biking, Shanelle was going over the whoop-tee-doos and fell straight off like a penguin and a turtle, but was fine afterwards. We had one challenge, not to skid... We had so many jumps. There were obstacles to dodge and weave through or ride over.

Ga Ga Ga! you would shout as you began a game called Ga Ga. Ga Ga is played in an octagon shaped sand pit and you would have to hit the ball at peoples legs. Each night we enjoyed a delicious dinner and dessert from spaghetti to roast chicken and veggies, fruit salad and ice-cream and chocolate sauce.

It was an awesome camp we all wish we could go there again and hopefully we will. Thank you to staff and parents who made it happen!

Our Nude Food competition has started up again.
For those parents unfamiliar with the competition, Montrose Primary are trying to encourage students to bring in less rubbish into the school.

We want to become a greener more environmentally, friendly school and want to encourage families to place fruit, snacks and sandwiches into reusable plastic containers. The use of these containers will mean less plastic in Landfills.

Each fortnight, grades will be tallying up how many Nude Food lunches they have each day and the winning grade from each level in the school will be awarded a prize.

Please support this ongoing competition by buying less packaged foods and by packing your child’s lunch in a reusable lunchbox. Don’t forget to write your child’s name on the container!

Thank you.

On Friday 27th February, Montrose Primary will be participating in Clean Up Australia Day.

We would like all students to bring in a pair of gloves, a pair of tongs and a plastic bag into school.

Students will be helping clean up the school grounds with the supervision of teachers.

Thank you for your support!
