Message from the Principal

Hi Everybody,

Council Election process
Each year one half of our school council completes its two
year stint as members made up of Department of Education
and Training employees and non-DET(parent) members.
Our election process has opened and nominations are now
being called for 4 parent members. The successful nominees
will be appointed for two years. The nomination form is
included in the newsletter. Closing date for nominations is
March 3.

If you would like further information don't hesitate in calling
and having a quick chat.

Religious Instruction in Schools reminder
The forms to opt in to Religious Education lessons went out
last newsletter and are due in tomorrow. Our planning will be
based around the responses returned.

Parent Helper Session Wednesday 9.00am
Our next Parent Helper in the Classroom session will be held
this Wednesday at 9.00 in the staff room. Please note, this is
a repeat of the first session. Parents need to attend only
once. (If you attended in 2014 and your Working With
Children check is current you are covered).

Chaplaincy Funding
During the last week of term in 2014 our school was notified
that our application for continued funding for our chaplaincy
program was successful. Funding for two years has been
guaranteed with the option to extend that for a further period if
particular conditions are met. As part of the prescribed
documentation, a new permission form must be signed. The
returned permission slip will be active for the duration of the
funding period, or until you contact the school to rescind the
permission. An information booklet and the permission slip to
be returned will be coming home today.

Fun Run
Our annual fun run is being staged this Friday (providing the
weather is not extreme). The children will be active in 3 x 20
minute bursts spread out across the day. Please assist your
child with sponsorship. Each $5 earns a raffle ticket for the
chance to win amazing prizes.
Make sure runners and appropriate clothing is worn on the
day.

Neil Pollard
Thank you Leanne Peacock, Paula Maki and Julia Griffin for your help in the canteen on Friday and Phillippa Commins for helping on Wednesday. This week’s helpers are Karen Wheeler for Wednesday 25 February and Fran Speight and Julie-Anne Carlson for Friday 27 February.

Thank you to all the mums who have already volunteered their time to help out in the canteen this year. We can never have too many helpers in the canteen, but sometimes don’t have enough so if at any time you think you might be able to help please drop in and see me and I will add you to the emergency list. Any help you can offer would be greatly appreciated.

Alison

**Tact**

Being tactful is telling the truth, but in such a way that no one is offended. It is knowing when to say something and when it is better to be silent. When you are tactful you handle other people’s feelings carefully. You don’t say things that will make them feel embarrassed. Treat their feelings the way you would want your feelings to be treated.

Keep a lookout for the order form for Polar Fleece Vests and Winter Tunics - coming home soon.

Clean up Day

Dear Parents,

Owing to the school’s Fun Run on Friday 27 February, Clean Up Australia Day will be brought forward a day and will take place on Thursday 26 February instead.

If all students could bring along either a pair of gloves or a pair of tongs as well as a plastic bag to school, that would be much appreciated.

Thank you for your support!
Inspiration Leaders.

Appendix A: School Council Elections – Information for Parents

School Council Elections 2015

What is a school council and what does it do?
All government schools in Victoria have a school council. They are legally formed bodies that are given powers to set the key directions of a school within centrally provided guidelines. In doing this, a school council is able to directly influence the quality of education that the school provides for its students.

Who is on the school council?
There are three possible categories of membership:

- **A mandated elected Parent category.** More than one third of the total members must be from this category. Department of Education and Early Childhood Development (DEECD) employees can be Parent members at their child’s school as long as they are not employed at the school.
- **A mandated elected DEECD employee category.** Members of this category may make up no more than one third of the total membership of school council. The principal of the school is automatically one of these members.
- **An optional Community member category.** Its members are appointed by a decision of the council because of their special skills, interests or experiences. DEECD employees are not eligible to be Community members.

The term of office for all members is two years. Half the members must retire each year, creating vacancies for the annual school council elections.

Why is Parent membership so important?
Parents on school councils provide important viewpoints and have valuable skills that can help shape the direction of the school.

Those parents who become active on a school council find their involvement satisfying in itself and may also find that their children feel a greater sense of belonging.

How can you become involved?
The most obvious way is to vote in the elections, which are held in Term 1 each year. However, ballots are only held if more people nominate as candidates than there are positions vacant.

In view of this, you might seriously consider

- standing for election as a member of the school council
- encouraging another person to stand for election.

Do I need special experience to be on school council?
No. What you do need is an interest in your child’s school and the desire to work in partnership with others to help shape the school’s future.
What do you need to do to stand for election?

The principal will issue a notice and call for nominations following the commencement of Term 1 each year. All school council elections must be completed by the end of March.

If you decide to stand for election, you can arrange for someone to nominate you as a candidate or you can nominate yourself in the Parent category.

DEECD employees whose child is enrolled in a school in which they are not employed are eligible to nominate as parents for the school council where their child is enrolled.

Once the nomination form is completed, return it to the principal within the time stated on the notice of election. You will receive a Nomination Form Receipt in the mail following the receipt of your completed nomination.

If there are more nominations received than there are vacancies on council, a ballot will be conducted during the two weeks after the call for nominations has closed.

What commitment would be necessary?

Council meetings are held twice a term and run for about two hours. The majority of the work is done in sub-committees who report to the full council. Committees might be:

Education: which reviews existing school policies, considers the planning for camps and reports on programs and educational activities

Facilities: investigates and oversees minor works, considers the long term physical needs of the school, organises working bees

Finance: monitors the financial planning and expenditure through the development of an annual budget, monitors the financial processes as set out by DEECD policies are adhered to

Ad hoc committees: may be formed on an as needs basis to address current issues

Remember

- Ask at the school for help if you would like to stand for election and are not sure what to do
- Consider standing for election to council this year
- Be sure to vote in the elections.

Contact the principal for further information.

The parents club committee would like to thank all families who have assisted with our fundraising efforts, especially over the last 2 years. We set ourselves a huge goal but have achieved this and over the summer break air conditioning units were fitted in the prep/1 building. Now all class rooms and offices have cooling.
