Message from the Principal

Hi Everyone

Grade 4 Camp reflection
Last week I had the pleasure of joining the Grade 4 team and miss kneel on the Grade 4 camp at Phillip Island. The setting is amazing and the children were mighty impressed when they moved into their shared rooms. Sleeping bags were spread and every carefully packed bag was emptied onto the floor to make finding clothes easier. On the first afternoon the children flew on the flying fox, and mastered the bow and arrow and spun like a trainee astronaut on the cirucutron. Each provided different challenges and it was great to see the children share their tales over dinner.

After dinner entertainment was provided by the children themselves. The variety was amazing and the quality of the acts had to be seen to believed! Mr Benner was often heard to say, “I don’t believe what I am seeing!”

The next day followed, chock full of great activities: canoeing, Giant Swing and manouevring a low ropes course. The food was great and the trip to the penguin parade entertaining. It was a tired bunch of campers who fell to sleep pretty quickly on Thursday night.

Friday morning saw many kids sleeping in and rising just in time for breakfast. A trip to the Nobbies was a highlight, especially running into ex-Monroste student Tom, who was down at the island to pursue his interest in wildlife by participating in the penguin tagging program.

Well done again Grade 4 team.... A trip to remember!

Parent Interviews
I hope parents enjoyed the change to our reporting process by participating in the interview process yesterday. The extended format seemed to reduce queues which has always been a trap. Expect another face to face interview at the end of Term 3. Full written reports and student portfolios will be coming home at the end of Terms 2 and 4.

Neil Pollard
Thank you Elle Marcombe, Janet Morrison and Julie-Anne Carlson for your help in the canteen on Friday and Nicole Foster for helping on Wednesday. This week’s helpers are Annette Murphy, Karen Wheeler and Nicole Foster for Wednesday 25 March and Kate Critchley, Kate Stephen and Gemma Heemskerk for Friday 27 March.

Don’t forget I have Mini shepherd pies (same size as the snack pies but with a potato top) available for purchase, until sold out, for $1.50 each.

Next term delicious, hot, homemade soup is available every Wednesday at the canteen. Look out for the pre-order forms which come home each Monday to make sure you don’t miss out.

I hope you all enjoy your Easter morning tea tomorrow and have a safe and happy term break.

Alison

Dear Parents,

As you will have heard, our production spectacular this year is “Circus Splendida”. If you would like to be involved in some way (sets, props, costume creating) can you please give your name and email address to Sarah, Shannon or Mandy so you can be contacted easily. Next term we will have a regular working bee session in the Art room on a Tuesday from 2-3.30pm. It will be a chance to find out more about the show, donate your skills and time, have a bit of fun and get to know other parents.

Please know you are all welcome- you don’t have to sew; there are plenty of other things to help with!

Regards and thanks,
The Arts team

Helping Kids Grow Academically & Emotionally Through Music

Stepping Stones
Keyboard
Drums
Guitar
Song Writing

In conjunction with qualified teachers and professional musicians, we have developed a two stage music tuition program that allows each child to follow an individualised lesson path that grows with them.

How does it work?

Stage 1: Stepping Stones (Prep to Grade 2)

Children in early primary school years are introduced to instrumental music through our Stepping Stones program. This program gives children the opportunity to:
- Experiment with instruments including keyboard, guitar, percussion and singing.
- Develop the fine and gross motor skills needed to play an instrument.
- Learn fundamental music theory and notation.

As soon as a child is developmentally ready to progress to learning a dedicated instrument this program provides a smooth and supported transition to the child’s instrument of choice.

Stage 2: Instrumental Music Program

Our instrumental music programs provide children with an engaging experience based on individualized learning plans that includes learning to read music and recognize musical patterns as well as opportunities to play in bands and ensembles.

Children will learn music that is relevant to them, at a developmentally appropriate level in a supportive and fun environment that balances challenge and success.
