

Dear Parents,

Our Whole School Production of Shrek the Musical Jr is coming up fast!! It will be performed on the 2nd and 3rd of August at the George Wood Performing Arts Centre.

Our costume team have made most of the costumes for the students, but are asking if you could check the list below and provide your child with what is written for their class. We will need the items at school by **Friday the 28th of July** for our whole school dress rehearsal in the hall. If your costume specifies black pants, school pants are suitable. Please name all of your child's clothing. If you have any questions, please direct them to Shannon Sheppard or Mandy Johnson.

We thank you so much for your support and are looking forward to this exciting event!

Kind regards,

Shannon Sheppard and Mandy Johnson
