Dear Montrose Primary School Families,

In 2027, we are delighted to advise that we will once again partner with Ross Office Supplies to coordinate our Student Pack ordering and collection of money for Curriculum Contributions and Other Contributions. There is also the option for home delivery or pick up from the school.

Please find the details outlining dates and the process for ordering attached to this letter.

Payment is made through the Ross Office Supplies site – the flyer with full instructions is attached to this letter. Parents/guardians are welcome to purchase identical items themselves and pay the Curriculum Contributions and Other Contributions directly to the school office.

Please note that 100% of monies collected for Curriculum Contributions and Other Contributions goes to the school.

Montrose Primary School is looking forward to a great year of teaching and learning and would like to advise you of Montrose Primary School's voluntary financial contributions for 2027.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to offer a wide variety of curriculum offerings, wellbeing programs, enrichment activities, enhanced science, technology and digital learning opportunities, classroom and general libraries, sporting equipment and facilities for children such as new and improved play areas.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

If you have any questions, we are happy to help at the office.

Yours sincerely,

Kylie Fisher
Principal

Lisa Koster
School Council President
